

Florida Center for Civic Engagement  
Hon. Daniel H. Sohn, Executive Director  
4902 SW 31<sup>st</sup> Terrace  
Dania Beach, FL 33312

Dear Mr. Sohn,

I am proud to offer this letter to celebrate the Florida Center for Civic Engagement, and to recognize the commencement of the Inaugural Florida Civics Week Program.

The Hollywood LGBTQ+ Council partners with local governments and community organizations to promote and advance LGBTQ+ initiatives through advocacy efforts. In Hollywood and the surrounding communities we have worked to identify and advocate for the voices, perspectives and presence of LGBTQ+ residents to build a more diverse and inclusive community.

For us Florida Civics Week is an important time to also recognize the significant roles that LGBTQ+ people play in the civic process. We are encouraged when the rights of our citizens are understood more fully and expanded, and see it as our duty and responsibility to safeguard them whenever and wherever they are at risk.

Florida Civics Week is also a time to spread the word to all Floridians, no matter who they love or how they identify, that they can actively shape and influence all levels of government by participating in the democratic process.

On behalf of the Hollywood LGBTQ+ Council and its Board of Directors, Congratulations on this worthy milestone. We look forward to supporting Florida Civics Week again next year!

With Pride,

Todd Delmay, President
